

Bromsgrove Methodist Church

Social & Fundraising Group

Time and Talents

In late 2014 around 30 people set out to use their time & talents to raise money towards the re-development of the Church Centre. By the deadline in early 2015 a sum of approximately £3000 had been realised through their efforts and the generosity of family and friends. From 1st March, we are looking for another band of volunteers to use their God given talents to eat into the Church's well publicised financial deficit.

On the previous occasions we had cake baking, Christmas wreath workshop, a dramatic haircut, bird box manufacture, marmalade & jam making, greeting cards etc., etc..

If you feel that you are able to contribute your talents, please register your interest with **Jim Buchanan (01527 833531)** me and he will arrange for Sheila Sharman to provide you with a crisp £10 note to start you off.

The period of the challenge will be from 1st March to the Bank Holiday weekend at the end of May.

Mosaic Making Workshop

To kick off the event **Janet Millward** will host a workshop teaching the skills of making mosaic coasters.

For logistical reasons the number of entrants will be limited so please apply to Janet in person or telephone 0121 445 5140 as soon as possible.

The workshop will be held in the Church Centre on **Saturday 18th March from 10am to 12 noon**. Entry £10 per person.....Janet will provide all the material required. The Welcome Coffee Shop will be open.
